

Pininfarina's one-of-a-kind Ferrari

Next month at the Pebble Beach concours d'elegance in Monterey, California, USA, Pininfarina will unveil a custom Ferrari. The P4/5 is based on the limited-edition Ferrari Enzo supercar and was commissioned for US movie director James Glickenhaus (*The Exterminator*, *Shakedown*). Pininfarina made 200 unique parts for the car, which takes design cues from the 1967 Ferrari P4 race car and 1968 Ferrari P5 concept car by Pininfarina.
